Ol pasin nogut bilong panim pis we NFA tambuim

- I tambu long painim na kisim pis wantaim dainamait
- I tambu long kilim pis wantaim ol posin rop na ol kain kain marasin we bai wokim pis i longlong.
- I tambu long painim na kisim pis long hap we ol i save bung long kamapim pikinini.

Fisheries Management Act (1998), Section 32, em i tok olsem; Piseris lo i putim tambu long yusim ol samting we iken bagarapim rip long taim yumi painim pis. I tambu tu long yusim dainamait, posin rop na ol narapela marasin olsem sainaid na sno wait o zikso. Lo itok olsem gavman o polis na piseris iken kalabusim bot sapos ol i painim i gat dainamait na ol kain marasin long posinim pis istap insait long em.

Sapos yu lukim sampela lain insait long komuniti i yusim dainamait na ol narapela marasin o posin rop bilong kisim pis, toktok long ol na skulim ol olsem dispela pasin ino gutpela pasin long painim pis. Tokim ol olsem ol dispela kain pasin i save bagarapim rip na ol pis, na ol narapela enimal bilong solwara. Sapos ol i bikhet orait tokim komuniti o ol manmeri long ples olsem dispela man em i bagarapim hap bilong painim pis. Tokim ol bikman na meri na holim wanpela miting long toktok long ol dispela kain rabis pasin. Dispela miting i mas painim sampela rot bilong tambuim dispela kain pasin nogut.
